

PLEASANT VALLEY SCHOOL
PRESCHOOL AND SCHOOL AGE CHILD CARE
HANDBOOK

**METHUEN PUBLIC
SCHOOLS**

Dear Parents:

Welcome to the Pleasant Valley Preschool and School Age Child Care Programs. We want to provide your child with a comfortable, welcoming environment with an emphasis on the needs of your child. We look forward to working with you and your child and wish you the best in the school year ahead.

Our preschool program is a full day program and is accredited by the “*National Association for the Education of Young Children*”. We have two preschool classrooms which offer a safe and comfortable place for children to learn and grow.

Our school age program offers the child a wide range of activities including homework help, outside play, computers, cooking, science exploration, arts & crafts and a little time to relax, read a book and talk with friends.

This non-academic part of a child’s day is crucial to his/her social and emotional development. Making choices, accepting responsibilities, learning to express their needs, and building friendships are important stepping stones for developing children.

We invite you to visit the program and explore new options for your child at any time.

Please feel free to call or visit our website:
